

APEX INSTITUTE OF TECHNOLOGY, MUMBAI

SEMINAR / WORKSHOP

AI & Machine Learning: From Basics to Real-World Impact

An exclusive hands-on workshop for undergraduate students

DATE

28 June 2026

Saturday

TIME

10:00 AM – 4:00 PM

IST

VENUE

Block B, 3rd Floor

Andheri East, Mumbai

FEE

FREE

for all students

ABOUT THE WORKSHOP

Join us for a full-day deep-dive into Artificial Intelligence and Machine Learning. This workshop is designed for students with little or no prior experience in AI. You will learn core ML concepts, explore real datasets, and build your first predictive model — all in a collaborative, hands-on environment. Whether you want to crack placements, build projects, or satisfy your curiosity, this workshop is the perfect launchpad for you.

FEATURED SPEAKERS

PK

Prof. Priya Kapoor
Head of CSE Dept.

RS

Mr. Rahul Sharma
ML Engineer, Google

AGENDA

10:00 AM Inauguration & welcome address

10:30 AM Session 1 — Introduction to AI & ML

12:00 PM Lunch break
